To:

The Secretary to Government,

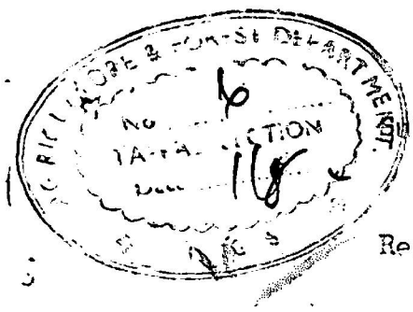
Bangalore.



Subject: Request of the Secretary Sri Baruji Ryathajanodaya Sangh, Honnahally, Kanakapura Taluk, for grant of lands in Tylur Forest.

Ref: Your memo No.AFD 233 FGL 59, dated 21-5-1959.

Sir,

I enclose a copy of letter No.R.744 dated 24th June, 1959 from the Divisional Forest Officer, Bangalore, for kind perusal. Since the area is suitable for afforestation works and is proposed to be afforested and also as the percentage of forest area in the District is far below the minimum standard prescribed under the National Forest Policy, I am not in favour of releasing the area in question for cultivation. In this connection, I invite your kind reference to the endorsement No.AFD 110 FGL 59, dated 28-4-1959 wherein Government have already rejected an application for release of lands in Tylur Forest.

The application is retransmitted.

Yours faithfully,

(K. Kadambi)
CHIEF CONSERVATOR OF FORESTS.

Letter No.R.744, dated 24th June, 1959, from the Divisional Forest Officer, Bangalore, to the Chief Conservator of Forests, Bangalore.

Subject: Request of the Secretary Sri Panuji Rythajanodaya Sangh, Honnahalli, Sathnur, Bangalore for grant of land in Tylur St. forest.

Ref: Your letter No.B3-1538-59/dt.27-5-59.

With reference to the above, I write to state that I inspected the Tylur S.F. of Channapatna Range along with the Range Officer. The area asked for is all along the southern boundary of the said forest. In the south-west corner there is old taungya patches. The dried up seemethangadi has been sold and also in this area there is growth of Hunse, Bage etc.

It is proposed for taking up afforestation works on Agri-Cum-Silvi basis, ie. permitting intercultivation for two years, in Kanakapura, Channapatna and Ramanagaram Ranges. This area is boulder and afforestation works can be done by Agri-Cum-Silvi methods in patches.

Since vast forest areas over 6000 acres in several St.Fts. are released so far in Channapatna Range and the percentage of the forest area is less than half the required national standard, I am not in favour of releasing any forest area in this forest. Further, grant of lands in this forest has been rejected on a similar petition by Government in No.AFD 110-F.GL. and communicated in your No.B3-283-2719-58-59, dated 21-5-59. The connected petition is herewith resubmitted:
